

NEWPOCKET

Side Loading Casepacker

FLEXIBILITY IN CASE PACKAGING

Newpocket is a servo driven side loading casepacker with a wide choice in packaging style: boxes, trays or cases. This machine is available also in a tray version, equipped with a system to handle die cut trays from flats.

- Short footprint
- American and/or pressed type cartons handling
- Final quality inspection device
- High performance
- Speed up to 25 cycles/minute

NEWPOCKET

Side Loading Casepacker
